MEMORANDUM FOR: JJH ~~ FYI ~~ OK

John,
[   ] is securing nominations for
this course as well as the Stanford course
from the Group Chiefs. I believe we should
have a CSB meeting early next week, perhaps
Tuesday morning, just to review nominations
for these two courses. Perhaps we can have
a quick meeting in your office at 0930.
My personal opinion is that unless you
are willing to commit one of our top trium-
virate in the Groups/Staff, we should pass
these two courses by.

Agree,
